WHAT TO EXPECT ON HALLOWEEN AT HOME

Social Story adjusted from positvelyautism.com

October 31st is coming. This is the day we celebrate Halloween!

On Halloween, many children may ring the door bell! *Ding! Ding!*

When we open the door, children will be dressed in costumes!

The costumes might be scary, pretty, or silly!

It's okay. I know it's pretend!

The kids will say "trick or treat!"

I will try to give each kid a piece of candy.
This will make them happy!

I will not be sad. I know my parents will save me some!

I can say "Happy Halloween!" to the children when they leave.
