WHAT TO EXPECT WHEN TRICK OR TREATING ON HALLOWEEN

Social Story adjusted from positvelyautism.com

When it is October 31st, I get to go trick or treating with my friends and family!

I get to dress up as _____.

And I can not forget my halloween basket to bring with me!

I will walk with my parents and friends, staying in the group!

When I see a house with lights on, I will ring the door bell! *Ding! Ding!*

When someone opens the door, I will say "Trick or Treat!"

I will take one piece of candy from their candy jar! I know I have to share with others.

I can say "Happy Halloween!" or "Thank you!" before I leave.

If I need a break, I can tell my mommy or daddy.

When I get home, my parents will help me sort out my candy. I will get to eat one piece as a treat!

I had fun going trick or treating on Halloween!
